Preparing Pennsylvania's 21st Century Workforce: An Education and Workforce Development Symposium

25th Annual Education and Workforce Development Symposium
Hershey Lodge and Convention Center
February 3 and 4, 2015

Students entering the workforce of tomorrow will be facing challenges much different than new workers of the past. Globalization and new and emerging technologies are but two of the factors presenting challenges for new workforce entrants. These challenges will impact new workers whether they enter the workforce directly after high school or after earning a two- or four-year degree.
