10:06:16 From Eric Westendorf : TGIF!!

10:10:28 From Nick Aquilino : Do Indian Tribes need to be listed if they are N/A?

10:11:21 From Mary Rodman to Angela King(Privately) : Write None for Indian Tribes if not applicable. You may have to fill in the blanks.

10:13:36 From Scott Rogers to Mary Rodman(Privately) : When do we have access to this in eGrants? Is this under 2019-2020 or 2020-2021

10:13:45 From Scott Rogers to Mary Rodman(Privately) : I see now 2020-2021

10:14:11 From Susan Rapp : Can the minutes be in .pdf format or do they have to be in Word?

10:14:27 From Curt Funkhouser : Do we need to list each instructor for all of our programs?

10:14:46 From Benjamin Mordan : Does Uploading minutes mean we upload the template that we discussed in PIL with Mary?

10:15:09 From Josh Anderson : If we had more then on stakeholder for a group should we add them or is one enough

10:16:37 From JOHN AUGUSTINE : can the program developers make a CIP code drop down list so we don't all have to type in - CIP codes are a know number by PDE and we will then only have to choose the ones that our schools offer

10:18:09 From Scott Rogers to Mary Rodman(Privately) : That would have been great !

10:18:15 From Tracey Thomas : I only have 1 work force rep-do we need 2?

10:18:20 From Dennis Virga : We need more than one rep from each stakeholder group listed?

10:18:32 From Curt Funkhouser : IF we have a discussion during a faculty meeting do we lsit each teacher?

10:18:43 From Kurt Speicher : I believe we were told we only needed one representative for each category.

10:18:57 From Linda Mesics : Can we include stakeholders invited but who couldn't attend a meeting?

10:19:08 From Tracey Thomas : stakeholder-do we need more than 1 workforce rep?

10:19:15 From Mary Rodman to Angela King(Privately) : You only include stakeholders who participated.

10:19:48 From Mary Rodman to Angela King(Privately) : IF you only had one workforce rep, you may only list one.

10:21:41 From Scott Rogers to Mary Rodman(Privately) : Monique, is there a way we can download or have a pdf copy of your sample CLNA that your are demo'ing now? That would be very helpful

10:22:12 From JOHN AUGUSTINE to Mary Rodman(Privately) : it appears that you already have a drop down of CIP codes made - please make this an option on the first screen -

10:22:19 From Russ Gaffney : What year are we using data from? 18-19, or 19-20?

10:22:31 From Angela King to Mary Rodman(Privately) : Do we add all CIPs even if Perkins funds will be not be utilized for a particular program?

10:22:41 From Mary Rodman : You only include stakeholders who participated. IF you only had one workforce rep, you may only list one.

10:22:49 From JOHN AUGUSTINE to Mary Rodman(Privately) : it is no different than what you are showing now

10:23:11 From Mary Rodman : Use current year unless it asks for Year 1, Year 2. etc

10:23:18 From Valdijah Brown to Mary Rodman(Privately) : Why would you the same POS on the student group? Is it to help the grant reviewer or some other reason?

10:23:35 From Mary Rodman : The drop downmenu you see if from her entering CIPs in the first section. There is no drop down of CIPs until you enter them.

10:24:16 From Mary Rodman : Yes, you add all CIPs whether you are using Perkins funds for that program this year or not,

10:24:17 From JamiLynn McFarland to Mary Rodman(Privately) : what does an e-mail meeting look like? Are there samples/examples available?

10:25:19 From Mary Rodman to JamiLynn McFarland(Privately) : Copy and paste minutes from an email meeting. Copy the email you sent and copy the responses. Enter into a Word document.

10:25:40 From Suzanne Kuban to Mary Rodman(Privately) : If we are adding a new program for next year and are awaiting final PDE approval can we list that program as a program we will use funds for next year.

10:25:52 From JamiLynn McFarland to Mary Rodman(Privately) : thanks

## eGrants CHAT January 17, 2020

10:25:54 From Valdijah Brown to Mary Rodman(Privately) : to confirm, what we are seeing in egrants mirrors our CLNA document?

10:27:09 From Dennis Virga to Mary Rodman(Privately) : We need more than one rep from each stakeholder group listed?

10:28:10 From Tony Payne to Mary Rodman(Privately) : so basically we should put all our programs on the list

10:29:35 From JOHN AUGUSTINE to Mary Rodman(Privately) : please help us get the drop down - her previous answer does not make sense if we can have drop downs here

10:29:38 From Dennis McCarthy to Mary Rodman(Privately) : What do you do with a WIB when there is only one?

10:29:55 From Andrew Rantz to Mary Rodman(Privately) : We are saying it's necessary to have more than one post-secondary administrator represented?

10:30:28 From Rachel Cotton to Mary Rodman(Privately) : Did we need more than one representative from each stakeholder list?

10:31:47 From david bacher to Mary Rodman(Privately) : Typically the WIB does not have the staff to send more than one person to each meeting. Our WIB sends one staffer, are we expected to schedule a second meeting and ask them to send someone different?

10:32:35 From Valdijah Brown to Mary Rodman(Privately) : Will this recording be posted?

10:33:05 From Eric Westendorf to Mary Rodman(Privately) : Refresh our memory of when we get our actual allocation amount?

10:33:41 From Mary Rodman to JamiLynn McFarland(Privately) : yes, this will be at the PACTA website

10:33:52 From Mary Rodman : yes, this will be at the PACTA websit

10:34:50 From Mary Rodman : Allocations will be provided close to the end of the schoolyear.

10:35:09 From JOHN AUGUSTINE to Mary Rodman(Privately) : this is an unrealistic expectation that we will convene a committee of this size every time there is a change. Is this in the law or a PDE interpretation?

10:35:19 From Pamela Mackowski to Mary Rodman(Privately) : Do we do the HW/HD occupations for each occupation under that CIP?

10:35:58 From Mary Rodman to JOHN AUGUSTINE(Privately) : You should address Monique or Lee privately.

10:36:13 From Mary Rodman to JOHN AUGUSTINE(Privately) : It can be email.

10:36:35 From Mary Rodman to JOHN AUGUSTINE(Privately) : It can be email.

10:37:08 From Mary Rodman : Yes, you do HPO

10:37:19 From Mary Rodman : FOR EVERY PROGRAM

10:37:35 From Mary Rodman : sorry about all caps

10:37:46 From Pamela Mackowski to Mary Rodman(Privately) : not what I mean - for each SOC under each CIIP?

10:38:10 From Mary Rodman to Pamela Mackowski(Privately) : yes, Pam

10:38:17 From Scott Rogers to Mary Rodman(Privately) : So we do the past three years worth of enrollment?

10:38:20 From Pamela Mackowski to Mary Rodman(Privately) : thanks!

10:38:38 From Aaron Kline to Mary Rodman(Privately) : Mary, for Perkins V are Dual Enrollment credits the same as the local articulation agreements we have in place? Not really a question about the e-grants app. Thanks

10:38:39 From Tony Payne to Mary Rodman(Privately) : can you enter a zero if the program was eliminated 2 years ago

10:38:54 From Tony Payne to Mary Rodman(Privately) : and cover it with a note

10:39:02 From Tony Payne to Mary Rodman(Privately) : that is the data

10:39:10 From Scott Rogers to Mary Rodman(Privately) : because she said list all programs

10:39:24 From Tony Payne to Mary Rodman(Privately) : that is the data we had....YES correct mary

10:39:39 From david bacher to Mary Rodman(Privately) : can you populate one cell with all the soc codes for a specific cip or does each soc code need its own unique line?

10:40:52 From Celeste Lewis : What happens when you are in a consortium situation and the IU has been doing the Perkins Grant? Will this still need to be completed directly by the local district?

## eGrants CHAT January 17, 2020

10:41:05 From Beth Haas to Mary Rodman(Privately) : We have a program (machining) we are not eliminating, but furlowed for 1 year because of low enrollment.. Our plan is to bring it back. any issues with having no data for a year??

10:41:10 From Celeste Lewis : Sorry mic isn't working

10:41:46 From Suzanne Kuban to Mary Rodman(Privately) : new programs being added would have "0" for all 3 years being noted. How do we notate that it will be a new program for 20-21

10:41:59 From Celeste Lewis : Thank you for the answer.

10:42:01 From Pamela Mackowski to Mary Rodman(Privately) : I don't think you can add multiple SOC codes in the same box because the next column asks for # of openings - can you enter multiple values in that one?

10:42:54 From Mary Rodman to Pamela Mackowski(Privately) : Add them together for one totals

10:43:00 From Pamela Mackowski to Mary Rodman(Privately) : ok

10:43:16 From Kurt Speicher to Mary Rodman(Privately) : If you put all HPO occupations, do you do an average hourly wage?

10:43:21 From Angela King to Mary Rodman(Privately) : :-)

10:43:25 From Barbara Zaborowski to Mary Rodman(Privately) : In a consortium if both post-secondary are offering the same program with the same CIP/SOC do we combine the totals and report them as one?

10:43:39 From Eric Westendorf to Mary Rodman(Privately) : We have one and possibly two programs that are changing CIP codes this or next year. How do we account for that in terms of the three year data?

10:46:04 From Mary Rodman to Barbara Zaborowski(Privately) : No, they are reported for each lea separately.

10:46:40 From Josh Anderson : What if you are a comprehensive CTE School do we need to list all regular education teachers?

10:47:36 From Erik Damgaard to Mary Rodman(Privately) : What row would Administration and Support Staff fall into

10:48:09 From JamiLynn McFarland to Mary Rodman(Privately) : Where do we find a list of what is considered "underrepresented"?

10:48:33 From Eric Westendorf to Mary Rodman(Privately) : One of them is the new Rehab Aide CIP

10:48:46 From Kurt Speicher to Mary Rodman(Privately) : If you have a program that is not currently on the HPO at local and state, do we still enter it? Can you use Perkin's money to support this program? Can Perkins be used for Diversified Occupations too?

10:49:38 From Mike Moeller : If we use IU for paraprofessionals, do we need to include them?

10:51:45 From Ashley Hassenbein to Mary Rodman(Privately) : Can you define "paraprofessionals" at the secondary level?

10:51:51 From Mary Rodman to Barbara Zaborowski(Privately) : yes

10:52:24 From Mary Rodman to Ashley Hassenbein(Privately) : local definition by your local job title

10:52:42 From Mary Rodman to Mike Moeller(Privately) : yes

10:53:01 From Ashley Hassenbein to Mary Rodman(Privately) : If stakeholders participated remotely, what do we do about the sign in sheet?

10:53:31 From Linda Mesics to Mary Rodman(Privately) : At the postsecondary level, do we include all adjuncts?

10:53:51 From Josh Anderson : Is there a maximum number of PD that PDE is looking for? We have over 10 full days and 30 half day PD's over the year. Should we enter all of them?

10:54:26 From JOHN AUGUSTINE to Mary Rodman(Privately) : is the PD that is list only what Perkins pays for - or all and any that we do?

10:54:34 From Scott Rogers to Mary Rodman(Privately) : Can you re-explain the African-American woman scenario who is female and teaching? as other faculty

10:54:36 From Kevin Gentilcore to Mary Rodman(Privately) : What is the time period for professional development activities?

10:55:18 From Curt Funkhouser to Mary Rodman(Privately) : Do we enter three years of PD data?

10:55:59 From Angela King to Mary Rodman(Privately) : Is a local generated form acceptable how we are tracking professional development attendance?

## eGrants CHAT January 17, 2020

10:56:34 From David Ray to Mary Rodman(Privately) : For comprehensive high schools, do you want all prof devel for all staff or just CTE teachers?

10:57:05 From Barbara Zaborowski to Mary Rodman(Privately) : So if don't fund any PD with Perkins it will be OK that this is blank???

10:57:05 From Russ Gaffney : What if none of your PD is funded by Perkins?

10:57:26 From Eric Westendorf to Mary Rodman(Privately) : So wait, she answered that question two different ways. She said all and then for post-secondary she said just Perkins funded. FOr secondary do we list all?

10:57:28 From Tracey Johnson to Mary Rodman(Privately) : Did Monique just say that we are only to list PD paid for by Perkins?

10:58:15 From JOHN AUGUSTINE to Mary Rodman(Privately) : Please ensure that is in the minutes of this - only list the PD funded by Perkins. Thank you

10:58:24 From Stacy Pakula to Mary Rodman(Privately) : We don't use Perkins funds for Professional Development. How should we responde to the PD section?

10:58:59 From Josh Anderson : What if you are a caucasian male working at a school that is predominantly latino. Is that underrepresented?

11:01:26 From Linda Mesics to Mary Rodman(Privately) : At the postsecondary level for professional development, do we include only in-house events? If we include every external conference or workshop that everyone attended, the list would be extremely lengthy.

11:01:33 From JOHN AUGUSTINE to Mary Rodman(Privately) : why is faculty being tracked by underrepresented - please explain is this in the law?

11:01:55 From Josh Anderson : So if I have less then 50% male teachers they are all underrepresented?

11:03:17 From Celeste Lewis : This would also include TAP PD correct?

11:04:27 From Dennis McCarthy to Mary Rodman(Privately) : not sure if this was answered Is there a maximum number of PD that PDE is looking for?

11:05:00 From JOHN AUGUSTINE to Mary Rodman(Privately) : so 10% is the bar for underrepresented

11:05:10 From Suzanne Kuban to Mary Rodman(Privately) : when looking at under represented do we also look at non trad teachers - example - male teacher teaching cosmetology?

11:05:23 From Colleen Stepanovich to Mary Rodman(Privately) : Is there a percentage associated with underrepresented?

11:05:23 From Elizabeth Marshall to Mary Rodman(Privately) : Is there a ratio or percent that helps defines "underrepresented" (especially for gender)

11:05:39 From Sean Barrett to Mary Rodman(Privately) : This may be off topic, but are budget updates still needed on a quarterly basis (post secondary)? Our finance team had a question on that after recent changes.

11:06:10 From Dennis Virga to Mary Rodman(Privately) : Sorry if I missed it, but what is the expected length of time the window will be open in egrants to input all of this info?

11:06:49 From Eric Westendorf to Mary Rodman(Privately) : So a one-day workshop is NOT considered professional development?

11:06:52 From Todd Weimer to Mary Rodman(Privately) : One day trainings are not PD?

11:06:55 From Tony Payne to Mary Rodman(Privately) : so the non trad list has nothing to do with underrepresented?

11:07:02 From Tony Payne to Mary Rodman(Privately) : nevermind

11:08:16 From Andrew Rantz to Mary Rodman(Privately) : Can we get a copy of all screenshots?

11:08:41 From JOHN AUGUSTINE to Mary Rodman(Privately) : thanks -

11:09:28 From Nicole Zernick to Mary Rodman(Privately) : I cannot hear anything right now.

11:10:00 From Suzanne Kuban to Mary Rodman(Privately) : where will this be posted to review if we have questions that were answered?

11:10:01 From Tony Payne to Mary Rodman(Privately) : no this years perkins revisions

11:10:05 From Tony Payne to Mary Rodman(Privately) : 3/31/20

11:10:18 From Angela King to Mary Rodman(Privately) : Thanks Mary

11:10:34 From Suzanne Kuban to Mary Rodman(Privately) : Where will this be available if we want to review?

eGrants CHAT January 17, 2020
