13:18:52 From Lee Burket : PDE is working on guidance regarding Act 82.

13:20:09 From Dennis Virga : Lee, did you state that students will not be eligible for PA Skills Cert? Sorry I missed it.

13:20:54 From Darby Copeland : Lee did you say what we received for the Supplemental was a full or part payment?

13:21:13 From Mary Rodman : Yes, she did say that students would not be eligible for PA Skills Certs and SOAR credits.

13:38:00 From Wesley Kuchta : What is the date of not starting a new program?

13:40:20 From Mike Stauffer : We are tracking the attendance through a variety of ways. Daily check-ins with teacher that may be in the form of participation in Schoology Conferences, completion of an assignment, one on one conversation with a teacher, etc. It is teacher dependent. We have stressed the need for "daily interactions." Those may look different in each program.

13:40:24 From Dennis Virga : Regarding the PA Skills Certification and SOAR. I understand NOCTI is a requirement for both, but how can PDE cancel/waive NOCTI, but then almost punish students for not taking it. This is not going to be easy to explain to parents, students and teachers. Has any other options been discussed?

13:41:25 From chris groody : John,

13:41:27 From Erik Damgaard : This Tony Payne...side note if you have any construction going on, you are able to continue with the construction
