10:23:44 From Stuart Savin : Since it came up..So, I have a question for all. How are folks handling the question of Workload with faculty if we do alternate day delivery and their having 50% of the students in person and the other half doing a virtual activity? Sort of double duty
10:25:53 From jhain : If we use an A/B schedule, instructors will have Friday's to upload content and do remediation with students where needed. No extra hours or extra pay.
